To Whom It May Concern:

We are delighted that Luc Laframboise of Créations Lucas has organized an ongoing fundraising program in support of the Canadian Cancer Society. The **Designer Hope Brooch** is now available for purchase, and partial proceeds will be donated to the Canadian Cancer Society.

If you are able to support this wonderful initiative we would be most grateful.

The generosity of individuals, community groups and businesses allows the Canadian Cancer Society to continue to be the largest cancer research fundraiser in Canada. We offer the most comprehensive source of credible information on cancer, treatment and risk reduction and continue to provide support for people living with cancer, their family members and friends right here in our community.

Thank you in advance for your kind support.

Yours sincerely,

Donna Edwards
